Order—Ms. No 29, Firka Development, dated 9th January 1950.

In G.O. Ms. No. 632, Firka Development, dated 13th July 1949, the Government ordered that the Firka Development Scheme be extended to 50 new additional firkas in the Province. The question of sanctioning allotments similar to those sanctioned in G.O. Ms. No. 79, Firka Development, dated 16th December 1947, for expenditure in the existing 34 firkas and centres was examined by the Government. It has been suggested that in view of the present financial stringency, a sum of Rs. 25,000 each only may be sanctioned for Rural Water-supply Scheme and improvement to Village Communications for each of the 50 new firkas. The Government accept the suggestion and accord sanction to the incurring of an expenditure not exceeding Rs. 25,000 (rupees

twenty-five thousand only) for Rural Water-supply Schemes and Rs. 25,000 (rupees twenty-five thousand only) for improvement to 'Village Communications' in each of the 50 new firkas.

2. The Government also direct that an annual lump-sum grant of Rs. 10,000 (rupees ten thousand only) be placed at the disposal of each Collector (except the Collector of Madras) in respect of each new additional firka selected for intensive Rural Reconstruction work and another annual lump-sum grant of Rs. 10,000 (rupees ten thousand only) at the disposal of the Provincial Firka Development Officer, Madras, for the entire Province in regard to all the new additional firkas. The instructions issued in G.O. Ms. No. 59, Firka Development, dated 9th December 1947 and in G.O. Ms. No. 79, Firka Development, dated 16th December 1947 and in the proceedings subsequently issued in connexion with these orders will apply to the new additional firkas also.

3. The expenditure should be debited to the appropriate detailed heads under "25. w. General Administration—Miscellaneous—II., Post-War Reconstruction—Expenditure from the Fund for Village Reconstruction and Harijan Uplift—Madras—4. Other Charges and Office Contingencies."
